Notice of Nondiscrimination

Federal civil rights laws prohibit certain health programs and activities from discriminating on the basis of race, color, national origin, age, disability, or sex. The laws apply to health programs and activities that receive funding from the Federal government, are administered by a Federal agency or are offered on a public Health Insurance Marketplace. Health plans that are subject to the laws include Medicare Part D plans, Medicaid plans, health plans offered by issuers on Health Insurance Marketplaces, and certain employee health benefit plans. If you have questions about whether these Federal civil rights laws apply to your plan, please contact your health plan at the number in your benefit plan materials.

If your health plan is subject to these Federal civil rights laws, it complies with the laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex and does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
